COMMENTS (Number each comment to show from whom to whom. Draw a line across column after each comment.)

The attached has to do with the unresolved matter of reporting travel and reimbursable expenses on income tax returns. It was prepared by the Office of General Counsel with the suggestion that it not be published as a Notice, but that copies be given informally to key Administrative Officers so that they would be able to answer any questions that might be raised. We are also publishing it in the next issue of the Support Bulletin which should be out in a couple of weeks. As soon as a firm understanding is reached with the Internal Revenue Service on the application of this requirement, a Notice will be published. If you need any more copies, please let me know. It is not considered necessary to give this wide distribution at this time.
